

PRIVACY POLICY

BESTECH respects your right to privacy.

This information will be required more specifically to:

- Support or enhance our relationship
- Fulfill your service request
- Provide support or to have direct communication access with you
- Contact you should you agree to receive information on our latest products or services

Please note that we ensure total client information security and confidentiality. We use updated security technologies and procedures to protect your information. We do not give or sell our client information to any organization or individual for any sales-related or marketing activity.

We may however, need to share your personal information with other project partners outside the BESTECH team, but be assured that it will not be without your consent.

Please note that you have the option to unsubscribe to BESTECH email at any time by clicking on the link included in all messages. You may also contact us at any time to access your personal data for corrections or deletions. If you have any comments about this privacy statement, please contact us at:

Toll Free: 1-877-675-7720 (North America Only)

Telephone: 1-705-675-7720

Fax: 1-705-675-5507

Email: bestech@bestech.com

We appreciate your continued support and thank you for your interest in our initiatives.
